RETREAT

Where Relaxation Meets Recreation

Welcome to the chapter where we show off the goods —because let’s be honest, a retreat is only as good as the amenities. At Maniero, we’ve curated a mix of luxury, wellness, and fun that’ll have your guests recharged and raving. From our sprawling parkland and heated pool to our fully-equipped yoga deck and private padel court, we’ve got everything you need to turn your retreat into an unforgettable experience. Ready to dive in? Let’s explore what makes Maniero the ultimate retreat destination!

1. Let's *Zzzzzzen*

We've got mats, blocks, a yoga deck, and enough serene spots for sunrise and sunset sessions. Plus, an extra outdoor dressing room & a poolside pergola for those zen moments.

2. Let's chill

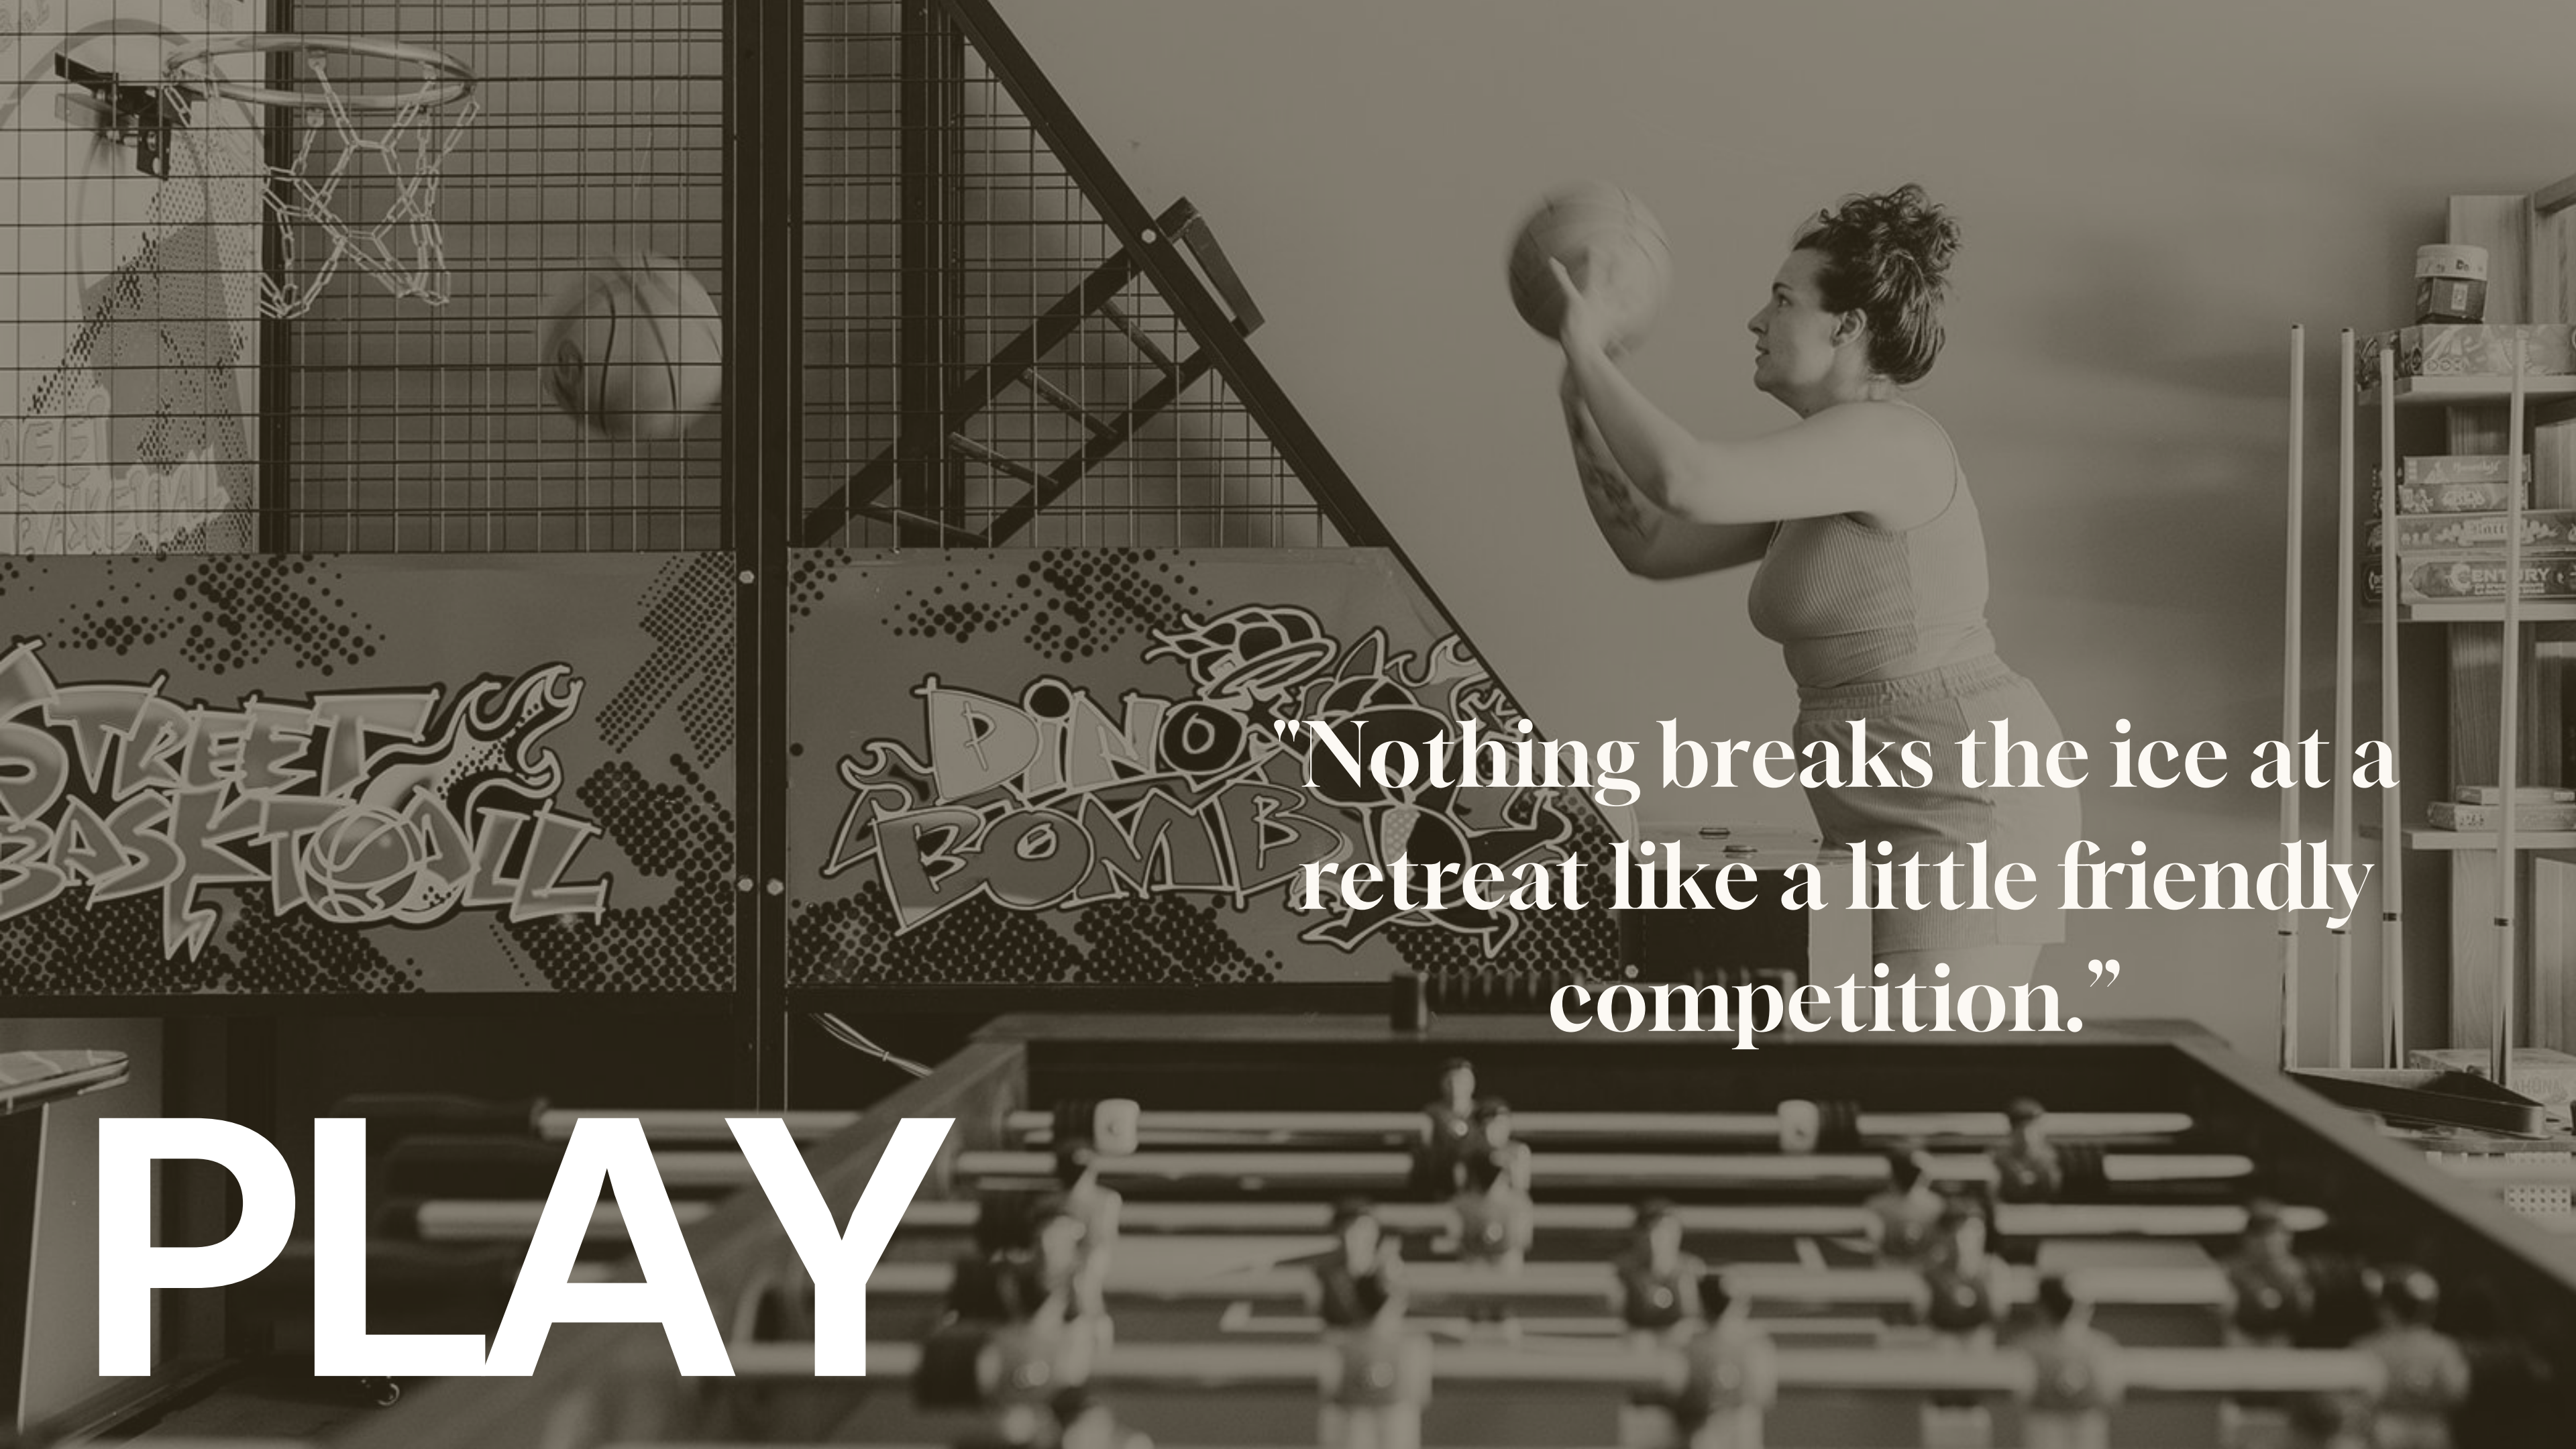

Sauna, jacuzzi, plunge pool, and a 20-meter heated pool—because we know you need to zen out from the busy life. And if you're in need of some extra relaxation, we can even arrange for a top-notch masseur to work out those knots.

3. Let's move

Challenge your guests on our private padel court or beach volleyball field, or break a sweat in our fully equipped indoor gym. Ready for more? Explore the scenic hiking trails around our charming hilltop villages. And if you're up for an adventure, the breathtaking Sibillini Mountains are just an hour away from Montecassiano—perfect for a day of unforgettable hikes.

"Nothing breaks the ice at a retreat like a little friendly competition."

PLAY

Level up your retreat fun

Step into our indoor arcade, where billiards, whack-a-mole, and one-on-one arcade battles await. Feeling competitive? Try your hand at darts, air hockey, or take it outside for XL chess and Jenga. Trust us —your guests won't even have time to think about being bored!
