

A photograph of an outdoor wedding reception setup. A long table covered with a white tablecloth is set in a courtyard. The table is surrounded by wooden chairs with a crisscross back design. The courtyard is paved with light-colored stone. In the background, there are several large, mature trees, including tall pines. String lights are strung across the courtyard. The sky is overcast with soft, grey clouds. The overall atmosphere is elegant and rustic.

MANIERO MONTECASSIANO - LE MARCHE

Wedding brochure 2029

Let's make organising your wedding easy.

We know firsthand that planning a wedding can be... a lot. Endless options, unclear pricing, suppliers who suddenly double their rates the moment you say the word "wedding". Not exactly the vibe you're going for. That's why we've built Maniero differently.

Let our favourite suppliers arrange your epic wedding weekend with the essentials for your once-in-a-lifetime day: a team we genuinely love working with. A caterer who makes traditional Italian food, a florist with an eye for detail, and a DJ who knows how to party. You then choose your wedding planner from a few we trust.

No guesswork. No unnecessary stress. No "wedding tax" surprises. Just a solid plan, a great team, and the space to make it completely your own.
